REPAIRS

Covers firearm defects
of malfunctions during
the warranty period.

REPLACEMENTS

Offers replacement options
for firearm issues within the
warranty period.

HOW TO INITIATE A WARRANTY CLAIM

To initiate a Warranty Claim, please contact
Beretta Customer Support at:
1.800.BERETTA (800-237-3882)

or submit your request by clicking [here](#)

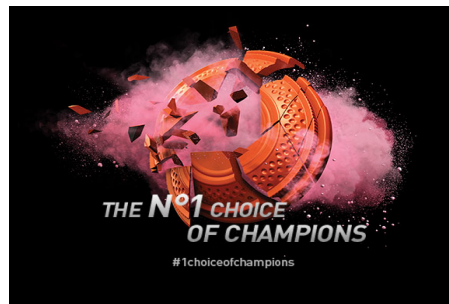

Until the firearm is received and inspected by our gunsmiths, we cannot state if the service requested would be covered under warranty. If an item or service falls outside of the limited warranty, then a quotation will be prepared for your approval.

In the event of a price quote, a representative will contact you for approval and payment. You may also decline our services.
