

Holy Redeemer Catholic School International Night

Diversity is the fabric of our world and so HRCS invites you to join us in celebrating the fascinating cultures that create the Tapestry called Earth.

Each grade will be assigned a specific country to showcase using fun facts, games, cultural food, and dress.

Teachers will be sending home information on tapas/small plates to prepare. Please remember each dish brought in should be enough to serve 8-10 people.

Children **MUST** attend with a paying adult. **NO DROP-OFFS!**

This Event is free to attend and we will be selling passports for food sampling. You can purchase passports as follows:

1. We will be selling passports for \$10. Each passport will include 4 tapas/small plate servings (at your countries of choice) and a bottle of water. You can use the this link :
