### **REQUEST for Permission to Bring a Cell Phone and/or other Two-Way Communication Device to School**

Permission to bring a cell phone/device to school for the use of students must be authorized by the Principal and used for emergency only. If a student needs a cell phone/device after school due to entering a house where no one is home, or attending sport practices or games a parent must submit this written request. If permission is given, the student must bring the cell phone to the office upon arrival in the morning in the OFF position for the day. The cell phone may be picked up by the student at dismissal. At NO time during the day should a cell phone/device be in a student's backpack or in his/her possession. If a student is in Extended Day, the Aftercare teacher will have possession of the phone. Cell phones are not permitted on fieldtrips. Cell phones/devices will be taken away from students if these guidelines are not followed. Additional disciplinary action may be taken.

I understand permission to bring a cell phone/device to school is a privilege, NOT A RIGHT.
