Holy Redeemer Catholic School

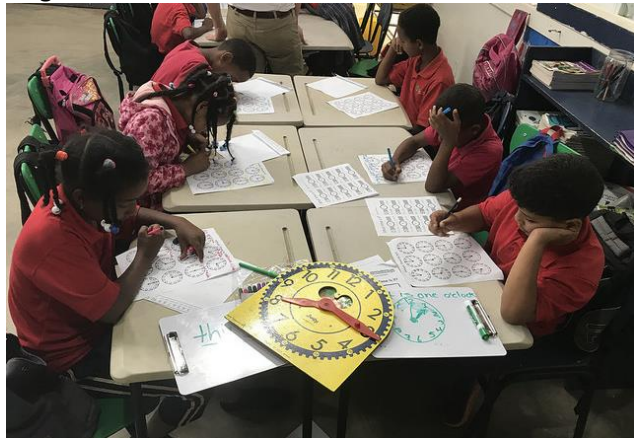

Dear Principal, School Administrative Staff, Teachers, Students, Parents, and Support Staff.

The response to the Mission Office Annual drive for school supplies August 2021 was really awesome, 19 Schools responded to the call with a variety of supplies such as notebooks, binders, folders, colorful scissors, glue, erasers, sharpeners, yellow pencils, colored pencils and so on. The mission Office was over surrounded by boxes in each corner.

We had to solicit volunteers and it took 3 days to sort all the items by category. It was incredible to notice that the supplies are not only for PreK through 4 but for middle school and in the high school residential program.

We would like that you to know that we are so appreciative for your continued support of the work that we do. Because of your generosity, our Catholic School in the Dominican Republic, with about 450 children in PreK-8th grades, will continue with the learning process.

We are most appreciative of your donation which helps us meet unexpected needs. You certainly have demonstrated and responded to the call to love your neighbor.

Be assured that the Mission Office, the teachers, the students, and the parents of our Catholic School high up in the central mountains of the Dominican Republic, are most appreciative of your kindness and generosity.

On behalf of the Mission Office of the Diocese of Orlando and our brothers and sisters that we work with and serve in the LOMAS of the Dominican Republic, thank you, thank you, thank you!

May the peace of the Risen Lord be yours always!

Gratefully,
The Mission Office Team
