

Bishop Moore Catholic HIGH SCHOOL

FRESHMAN COURSE SELECTION WORKSHEET CLASS OF 2028

Student Name _____

Name of sibling if enrolled _____

- ☐ Listed below are potential courses for the 9th-grade year.
- ☐ The English, Math, and Science course that your student qualifies for will be reviewed during your student's course selection using the following criteria:
 - ☐ **Honors English 1, Algebra 1, or Biology:** Incoming 9th grade students must score in the 65th percentile or above on a Math and/or Reading standardized test or the BMC entrance exam and earn an "A" in their 8th grade Language Arts or Math class.
 - ☐ **Geometry Honors:** Incoming 9th grade students must score in the 65th percentile or above on a math standardized test or the BMC entrance exam, earn an "A" in the 8th grade Algebra 1 class, and score at 85 or above on the Diocesan Algebra 1 Proficiency Exam.
 - ☐ **AP Human Geography:** Incoming 9th grade students must score in the 90th percentile or higher in Reading or Social Studies on standardized testing with an "A" in the 8th grade Social Studies class.
- ☐ Please bring this with you to your course selection meeting with your World Language and elective option selected.
