

SmartPass: Student Guide

Navigating our school's new system by Raptor Technologies.

A digital hall pass system to assist campus security

How to Log In

From a browser (Safari or Chrome)...

1. Go to app.smartpass.app
2. Enter your BMC email address
2. Click 'Log in with Google'
3. Use your school email credentials.
4. Pro Tip: Bookmark the page!

From an Apple device (iPhone iPad)...

1. Go to the app store
2. Find the SmartPass app
3. Download the app
4. Enter your BMC email address
5. Click 'Log in with Google'
6. Use your school email credentials.

Creating a Pass (Right Now)

1. Ask teacher permission first.
2. Click '+ Create Pass'.
3. Select 'From' and 'To' locations.
4. Click 'Start Pass'.
5. Your device will stay in the classroom.

*Note: Some passes require teacher/staff digital approval once submitted. Notifications will be sent to these individuals to accept or decline the pass.

Scheduling a Pass (For Later)

1. Click the 'Schedule Pass' button.
2. Pick the Date and Time/Duration.
3. Enter the To and From Locations.
4. Type a message to the person.
4. Hit 'Schedule Pass' or 'Request Pass'. You'll get a notification when it is approved.

Ending Your Pass

- When you return to class, you MUST click 'End Pass'.
- If you forget, it looks like you were gone for hours and a report will be sent to the Deans.
- Always check back in with Teacher once you return to show you have ended the pass.
