PROCEDURES FOR REPORTING ACCIDENTS, INJURIES, NEAR MISSES AND POTENTIALLY UNSAFE CONDITIONS/SITUATIONS

It is the policy of Centerline to have a comprehensive safety program which includes reporting of any/all accidents/ incidents, injuries, near misses, and potentially unsafe conditions/situations and investigation. The Service Center has primary responsibility for completing the initial report for any accident/incident, injury, near miss or potentially unsafe condition/situation.

Centerline Drivers / Temporary workers will be required to:

- Perform their work safely.
- Communicate unsafe conditions to management.
- Report all workplace injuries, illnesses, near misses, and potentially unsafe conditions/situations.
- Complete the requested Employee Reports for the Accident/ Incident / Injury.
- Follow instructions for medical care and/or post-injury or post-accident drug screening.

Centerline field employees and drivers / temporary workers are encouraged to make suggestions for the improvement of health and safety. All employees are instructed to contact their immediate supervisor and / or upline management if they feel that their health and safety are threatened due to a workplace condition, practice, or lack of proper training. Anyone may anonymously report a concern at www.truebluecompliancealert.com or by phone in the United States at (855) 70-Alert and if outside of the U.S., 877-564-9327. The reporting information is posted on Centerline's website.

The primary goal of the accident/incident and injury investigation program is to prevent future incidents through the use of knowledge derived from the investigations.

VEHICLE ACCIDENTS

Employee Responsibility

All Centerline employees are required to report all accidents/incidents and injuries, regardless of their severity, to the Service Center at 888-213-7483 and the client supervisor immediately. **Failure to report any accident, injury or incident, or to provide thorough and accurate information, may result in disciplinary action, up to and including termination.**

The following must occur immediately after an accident occurs:

- If there are injuries give help and request medical assistance.
- Contact the proper law enforcement authority immediately.
- Be polite, do not assign blame or accept blame. Be quiet and cooperative.
- Call the client supervisor.
- Get names, addresses and phone numbers for all witnesses.
- Call the Centerline Service Center at **(888-213-7483)** immediately. Answer all their questions while they complete a Supervisor's Report.
- Fill out the Employee's Report of Vehicle Accident in full with a complete description of what occurred including names, addresses, phone numbers, vehicle and insurance information on all involved parties and witnesses.
- Use your cell phone to photograph the vehicles involved, people, witnesses, street signs, landmarks and all accident damage (or lack of damage at point of impact.) **Take pictures from all angles.**
- Proceed immediately to the nearest medical clinic for post-accident testing as directed by the Centerline Service Center.

- Forward the completed Employee's Report of Vehicle Accident, copies of all photos taken, contact information for any witnesses and police report information to the Centerline Service Center within 24 hours. You can email them to your Sr. Service Specialist (SSS) or FAX to 909-824-7023.
- If a police report was completed for the accident the employee is responsible for providing a copy to Centerline. Centerline will reimburse the cost of the report upon presentation of the receipt.
- Complete any remedial training, review and sign any counseling form and complete any disciplinary action determined appropriate within seven (7) days of notification.

NOTE: Involved employees are required to attend meetings or depositions associated with the accident. If you miss a scheduled meeting, you may be subject to disciplinary action, up to and including termination of employment.

POST VEHICLE ACCIDENT & WORK-RELATED INJURY DRUG AND ALCOHOL TESTING

Employees who do any one of the items listed below **WILL BE TERMINATED**:

- Refuse to submit to controlled substance or breath alcohol test.
- Submit an altered sample.
- Drug screen or breath alcohol test reports positive.

There is no warning period, grace period or waiting period when employees are required to submit a sample. Employees are to proceed to the collection site immediately when directed by Centerline. Employees must stay at clinic or collection site until testing procedure is completed. Failure to adequately complete drug test collection or breath alcohol testing may be grounds for termination. The test rules are not flexible nor are they negotiable.

WORK-RELATED INJURIES

Employee Responsibilities

All Centerline employees are to report all injuries to the Centerline Service Center and the client supervisor immediately. Failure to report any accident, injury or incident may result in disciplinary action, up to and including termination.

The following must occur immediately after an injury occurs:

- Stop what you are doing.
- Replace or move any items that may cause further damage or injury.
- Control the situation by asking for assistance.
- Report the injury to the client supervisor immediately.
- Report the injury to the Centerline Service Center immediately (888-213-7483).
- Speak with representative on the Nurseline. Provide detailed answers to all questions.
- Proceed immediately to the clinic for medical treatment and post injury testing as directed by the Nurse Care or Centerline Service Specialist.
- After returning from the clinic, forward all paperwork provided by the clinic to the Centerline Service Center. FAX 909-824-7023
- Thoroughly complete and return the Employee's Report of Injury to the Centerline Service Center. FAX 909-824-7023

Note: You are required to attend all scheduled doctor appointments, meetings or depositions associated with the injury. Failure to comply may delay or otherwise affect any benefits to which you may be entitled.
